## AMERICAN GRAFFITI COLORING BOOK

In the American Graffiti Coloring Book, more than 45 of America's most prominent graffiti writers have provided the initial outlines... now it is up to you to give them colour! With full pages devoted to the artwork, each spread becomes its own unique full colour piece of art as you go along filling out the pages, and there is plenty of room for the small details. American Graffiti Coloring Book is printed on marker friendly paper. Use your markers and colour-in on both sides of the page with no risk of the ink bleeding through. This colouring book is an excellent way to release your creativity, whether you are new to graffiti or an experienced artist. Explore the medium, be creative, make an impact and immerse yourself in the world of colour, style and shapes. The American Graffiti Coloring Book offers a relaxing approach to colouring at the same time as it is an informative art collection. Remember: the American Graffiti Coloring Book is the real thing- it's not copying a graffiti 'style' it's real graffiti. All illustrations are original artworks made by experienced American graffiti artists. Young and old all over the world love the colouring books published by Dokument Press. In the American Graffiti Coloring Book, Dokument Press teams up with the Museum of Graffiti in Miami, Florida, to create a stunning colouring book with the best graffiti art that America has to offer. From New York pioneers who helped create the art form in the 70s, to freight train kings in Florida and hall of fame spray can wizards in California - they all come together to let us study their styles and colour in their outlines. The content is carefully curated by the influential artist and Museum of Graffiti co-founder Alan KET, and the striking cover and book design is made by none other than Noah from the legendary AOK and TFP crews.
